Estimados Amigos:

I hope this email reaches you in good health and spirits! A few weeks ago, we had our season opening day here in Banderas Bay, where the water is 80 degrees, the air temperature is even better and the sea breezes are consistent, but gentle.

We are excited about this year's season. Last year, our member's survey determined that members wanted more social events, so that's what this year's board has endeavored to do, beginning in December.

We kick off December with The Banderas Bay Blast, December 3, 4, & 5. This is a fun Banderas Bay Mini-HaHa that our club is doing with Richard of Latitude 38. Boat or no boat, don't miss this three days of camaraderie and parties.

On December 6 we have the Great Cruisers Chili Cook Off, always a fun evening at the club and considered to be a gas by many!

Every Monday, the new Yachtsman Luncheon Seminars provide a great opportunity to be entertained and educated by great speakers with subjects for everyone who lives, travels or boats in Mexico.

Tommy Coster, VYC member and phenomenal Jazz keyboardist & composer & formerly with the Carlos Santana Band, will do three Jazz Jam gigs at the club this year, starting Dec 22nd. For more information on the Jamm'n with Tom Coster & Friends and other December events, see: <http://vallartayachtclub.com>.

Finally, we wish you and your family a very Happy Thanksgiving Day, for no matter what the stock market is doing, we are very fortunate to be living and playing on Banderas Bay in Riviera Nayarit!

Best Regards

John Moore
